Chinoiserie Collection

Chinoiserie collection is made by a series of intricate and elegant rugs inspired by the rich cultural heritage of China. Drawing on ancient myths and legends, the collection presents a range of stunning designs that are both steeped in symbolism and beautifully crafted.

We have expertly restored illustrations from the late Ming and early Qing dynasties, and has brought these designs to life in a variety of ways. Some rugs faithfully reproduce the original artwork, while others feature modern color schemes or have been reinterpreted into entirely new compositions.

Each piece in the collection is a masterful fusion of complex patterns and simple geometric ornaments, creating a harmonious and balanced aesthetic. The materials used are of the highest quality, including 100% pure silk and a blend of Chinese silk and New Zealand wool.
