Miti Collection

The “Classical Mythology” collection of rugs brings the timeless beauty of Apollo and Aphrodite into your home. Inspired by the Greek gods of art and beauty, these rugs are a celebration of the classical ideals of harmony and grace. “The transposition of Apollo and Aphrodite on the soft surface of a carpet wants to become the symbol of an eternal charm that takes inspiration from the human being to turn into divinity,” explains Fabio Novembre, the collection’s designer.

“For us architects, drawings are like words for writers. We get to communicate the worlds through these lines, which to most people seem mysterious.”

“The level of abstraction of architectural drawings is perfect for turning them into a carpet. And I have chosen three architectural drawings that are absolutely iconic, the strongest for Italian culture: Castel del Monte, Anfiteatro Romano (the Colosseum), and Reggia di Caserta (the royal palace in Caserta).”
