Val Camonica Outdoor Collection

The Val Camonica outdoor collection takes its cue from a visual collection of petroglyphs found in this mountain area of northern Italy and it's characterized by repeated patterns of engraved signs, where the different depths of the pile also give the design rhythm.

The fibers used are 100% recycled PET, a material extremely resistant to external agents like sun or rain, antistatic, high-tech, and durable. All these characteristics make these rugs perfect for the summer and any season's outdoor decoration and sustainability.
