25x25cm

Dentelle Collection

Adapting traditional Richelieu lace patterns into delicate and luxurious rugs of exceptional quality. The combination of wool and silk, in a neutral color palette, will give your interior a unique flavor of something unusual in the use of classic ornaments in the rug.

The Richelieu lace design in the borders or center of the rug composition is the inspiration for the collection. We created a fabric effect from the carpet and laid it at your feet, giving your interior a unique appearance.
