Ambiance Collection

The Ambiance Collection was born from a travel journal; Notes of textures, colors and materials, of which the imprint in memory slowly fades, synthesizes and crystallizes into new forms.

These hand-knotted rugs are made from high-quality silk and New Zealand wool, and feature graphic lines and geometric patterns playing on different levels of contrast to add a dynamic touch.

The collection is available in a range of warm, neutral tones, including yellow, beige, and blue, making it easy to find the perfect match for every interior design project.
