Technique	hand-knotted

Size Options

300×400cm

Sinfonia Collection

SINFONIA is inspired by music; it decodes the perception of sound in the visual representation of the softness of form and the delicate nuances of the threads of the rug texture.

The different compositions of the yarns contain wool with luminous silk accents; the light flows through the different patterns, becoming dynamic like the echo of the notes suspended in the air.

The rug is available in various materials, such as bamboo silk, pure silk and New Zealand wool.
